Gentlemen:

This is to advise that on February 20, 1981 the Harvey E. Yates Company's Last Chance #1 gas well located in Unit L of Section 28, Township 23S, Range 24E, Eddy County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to well being plugged and abandoned by the operator.

Yours truly,
