Re: Bird Creek Resources'
Teledyne No. 2
Sec 14-23S-28E
Eddy County, N.M.

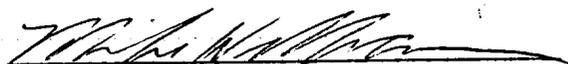

Dear May:

This is a request that we be allowed to produce the above well at 50% of the casing head gas allowable until the gas overproduction is made-up. If you have any questions relative to this request or require additional information please call me.

Sincerely,

Bill M. Burks
Agent for Bird Creek Resources,
Inc.
