Dear Mr. Frost:

DEC 26 1956
U. S. DEPT. OF THE INTERIOR
ARTESIA, NEW MEXICO

I have your letter dated December 18th '56 in which you requested a well log on my #2 well which was drilled to T.D. 2066' by Buck Jones Drilling Co. McCamey, Texas.

I do not have a well log of this well but I am enclosing a letter to me from Buck Jones in which you will find the plugging dope which, I hope, will enable you to clear your records. I am sorry, Mr. Frost, that the plugging record was not sent in when the well was finished. Buck apparently thought I did it and I thought he took care of it.

Yours Truly
W. G. Weatherford
