Gentlemen:

We hereby acknowledge receipt of Commission Form C-104 reporting a change in ownership on the subject well from Hutcho Production.

However, to date, we have no record of a bond for Miller Oil Company. Therefore, prior to approving said change in ownership, you must submit a bond to our Santa Fe Office for approval.

If this one well is all that you are going to purchase, a \$5,000.00 One-Well Plugging Bond will suffice. If however, you plan to purchase the other Hutcho Production wells on this same lease or any wells on State or Fee Land leases, you will need a bond for each well or a \$10,000.00 Blanket Bond.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

W. A. Gressett
Supervisor, District II

3-1-73 According to information received today, this bond has been sent to Santa Fe. Thank you for the above letter.
