Re: #37 Poker Lake Unit
NW SE 8-25-30
Eddy County New Mexico

Gentlemen:

This office has requested a report on the subject well three times since early in 1969, and to date we have recieved nothing. Therefore, unless we are contacted and the necessary reports submitted prior to July 1, 1970, we are prepared to ask that this well plugged and abandoned.

Very truly yours,

OIL CONSERVATION COMMISSION
