Gentlemen:

To date this office has received no reports on the subject well subsequent to the Permit to Drill.

On January 22, 1982, Mr. Bill Smith called for approval to plug and abandon the well.

Please submit Form C-103 reporting the spud date, all details on setting and cementing the surface casing and notice to plug and abandon the well, and all other reports necessary to complete our records.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely,

W.A. Gressett
Supervisor, District II
