

INSTRUCTIONS

This form is to be filled with the appropriate Field Office of the Division not later than 30 days after the completion of any newly-drilled or reopened well. It shall be accompanied by a copy of all electrical and radioactivity logs run on the well and a summary of all special tests conducted, including drill stem tests. All depths reported shall be measured depths. In the case of directionally drilled wells, true vertical depths shall also be reported. For multiple completions, Items 30 through 34 shall be reported for each zone. The form is to be filled in quintuplicate except on state land, where triplicates are required, include 1105.
