Dear Operator:

Re: Marquardt Federal #6 (30-015-28561)

In February we received a BLM Form 1004-0135 (Sundry Notices and Reports on Wells) indicating the well referenced above was to be plugged and abandoned.

Since then we have been informed that the well was in fact plugged, however this office has not received a subsequent report indicating specifically the procedure used in the plugging of this well.

Request you send 3 copies of the above mentioned subsequent report form to this office as soon as possible.

Respectfully,

Gerry Guye
Compliance Officer
