13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Bass Enterprises Production Company has completed abandoning the evaporation pit as per the procedure on the previous approved notice of intent sundry dated 8-24-98.

The following procedure was used:

Abandon evaporation pit by digging trench and pushing entire contents of pit including salt into it and covering with a minimum of 30 " of topsoil.

Bass has re-seeded and will monitor re-vegetation with the goal of having adequate coverage to prevent soil erosion within 2 years.
