The acreage indicated on this subject well is as shown on the plat and is subject to the following conditions:

If the owner of the lease is not the well owner, the well owner is not responsible for the working interest and is not liable.

If the owner of the lease is different from the well owner, the well owner is not responsible for the working interest and is not liable.

Yes No Answer is "Yes" type of completion.

If answer is "No" list the owners and their descriptions of the well and the reverse side of this form if necessary.

No well will be assigned to the well until all interests have been assigned to the well owner, and the well owner is not responsible for the well until all interests have been assigned to the well owner.

Gentlemen:

RECEIVED

FEB 27 1978

O. C. C.
ARTESIA, OFFICE

We wish, at this time, to amend the captioned Forms prepared by us for our UTP State No. 1 and recently forwarded to you.

The enclosed amendments reflect a change in the status from that of a gas well to an oil well. Please advise if anything further is needed for your approval of this application.

Yours very truly,

J. M. HUBER CORPORATION

Robert G. Setzler
District Production Manager
