S. Culebra Bluff Bone Spring

Gentlemen:

In updating our records we find that the permit on the above well has expired. You stated you would be drilling this well early in February, 1988. Please submit the necessary reports if this well was actually drilled. If we do not hear from you we will assume that this is an abandoned location.

Thank you for your prompt attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Williams".
