17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

(NOTE: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

A location was built for this well subsequent to the approval of an APD. However, the well was not drilled and the APD has since expired. ARCO requests a one year extension to the requirement of reclaiming the location. We fully expect to drill this well within one year.
