It is intended to commingle the subject well in the Otero Chacra (Pool Code 82329) and the Basin Dakota (Pool Code 71599). The production will be commingled according to Oil Conservation Division Order Number 11363. Allocation and methodology will be provided after the work is completed. Commingling will not reduce the value of the production. The State Land Office has been notified in writing of this application.

Notification of the intent to commingle the subject well was sent to all interest owners via certified mail on May 19, 2004. No objections were received.
