13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

The Alamo Wash 34-34 was recompleat to the Basin Fruitland Coal formation in February 2004. The well was perforated from 1336-1354' with 4 JSPF. Acid and frac information have been submitted on form 3160-4 (recompleat report). Pipeline work is currently completed and the well should first deliver approximately on 5/28/04. A report of first delivery will be submitted at that time.
