13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Williams Production Company, LLC is seeking a 12 month extension on the APD that was issued for the above mentioned well. Williams has built the location and had planned to drill this well this summer. Due to rig problems Williams has been unable to move onto this location yet. We are seeking an exception to be able to drill this well during the winter closure but if we don't get it we would like the 12 month extension to be able to drill it next year.

- APD extension granted until 8/5/05

- Exception to Winter Closure conditions granted until December 31, 2004.

14. I hereby certify that the foregoing is true and correct
