State of New Mexico Energy Minerals and Natural Resources Department Oil Conservation Division 1220 South St. Francis Dr. Santa Fe. NM 87505

Form C-144 Revised June 6, 2013

For temporary pits, below-grade tanks, and multi-well fluid management pits, submit to the appropriate NMOCD District Office.
For permanent pits submit to the Santa Fe Environmental Bureau office and provide a copy to the appropriate NMOCD District Office.

| Santa Pe, 1919 67303 to the appropriate Privided District Office. | | | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|--|--|--|
| Pit, Below-Grade Tank, or Proposed Alternative Method Permit or Closure Plan Application RECEIVED By kcollins at 8:02 am, Jun 22, | 201 | | | |
| Type of action: Below grade tank registration Permit of a pit or proposed alternative method Closure of a pit, below-grade tank, or proposed alternative method Modification to an existing permit/or registration Closure plan only submitted for an existing permitted or non-permitted pit, below-grade tank, or proposed alternative method | | | | |
| Instructions: Please submit one application (Form C-144) per individual pit, below-grade tank or alternative request | | | | |
| ease be advised that approval of this request does not relieve the operator of liability should operations result in pollution of surface water, ground water or the vironment. Nor does approval relieve the operator of its responsibility to comply with any other applicable governmental authority's rules, regulations or ordinances | 3. | | | |

ConocoPhillips Company BGT Modification

ConocoPhillips Company is requesting to modify the below-grade tank permit for SAN JUAN 28-7 UNIT 133M.

ConocoPhillips Company found that the SJ 28-7 UNIT 133M shares a BGT with the SAN JUAN 28-7 UNIT 278 and would like to modify the existing permit.
