following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection. Hilcorp Energy requests shut-in status for the subject well with last production being 02/13/2020 and last produced 55 mcfd. A production verification test will be conducted 12 months from NOI approval and submitted for shut-in status to continue. Hilcorp Energy has a long term shut-in compliance agreement with NMOCD (ACO-2020-008).
