13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

Hilcorp Energy requests the status of the subject well to be updated to ACTIVE and removed from the ACOI list. It was placed on a long term shut-in compliance agreement with NMOCD (ACO-2020-008 / ACOI-201869-0) and approved on 4/27/20. The well has been producing and in active status with no lapse in production greater than 90 days.

14. I hereby certify that the foregoing is true and correct.
