If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

Enduring Resources IV LLC. would like to request a one-year renewal for TA status on this well until 9/23/2021.

The well is in the same condition as during the original request for TA status, and Enduring Resources would like to save the well for possible future development.
The MIT for this well was done 9/23/2019.

14. I hereby certify that the foregoing is true and correct.
