3. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BLA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

The APD for the subject well was approved by BLM 3/15/07. The proposed location was built, however drilling of the well was first postponed due to pipeline ROW negotiations between the Jicarilla Apache Nation and Williams Field Service and then due to the downturn in the economy. JAECO was granted an APD extension by BLM which expired 3/15/2011.

JAECO plans to drill this well by the end of 2011, pending permit and rig availability. JAECO respectfully requests that the APD be extended to March 31, 2012.

BLM'S APPROVAL OR ACCEPTANCE OF THIS ACTION DOES NOT RELIEVE THE LESSEE AND OPERATOR FROM OBTAINING ANY OTHER AUTHORIZATION REQUIRED FOR OPERATIONS ON FEDERAL AND INDIAN LANDS

APD will expire 3/31/2012

14. I hereby certify that the foregoing is true and correct
