	<input type="checkbox"/> Convert to Injection	<input type="checkbox"/> Plug Back	<input type="checkbox"/> Water Disposal	

13 Describe Proposed or Completed Operation Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection)

Encana Oil & Gas (USA) Inc. (Encana) received approval on April 5, 2012 for the Alt. C pipeline analyzed for the Bisti H09-2510 01H. Encana intends to shorten the pipeline and tie-in to Enterprise instead of Williams. Total pipeline length will be +/- 6339' (3462' Alt C route and 2877' portion of original route). The pipeline will be a buried, steel, up to 6-inch diameter pipeline. All COAs in the APD approved on April 5, 2012 will be adhered to.
