13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Maralex Resources, Inc., submits this sundry to allow for construction of a water line to tie in our new well Trading Post 24 # 2 to the water disposal gathering system. The tie-in will be made at the existing well location Trading Post 26 # 1. The proposed pipeline route parallels existing major roads and gas pipeline R-O-W. No new disturbance will occur. The pipeline will be approximately 1 mile long and will consist of 2" SDR11 polypipe (pressure rating 160 psig) buried at a depth of 4'. The line will be pressure tested to 150 psig. Anticipated producing line pressure is 50 psig.

*Map of proposed waterline is attached.

14. I hereby certify that the foregoing is true and correct
