13. Describe Proposed or Completed Operation (clearly state all pertinent details including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths or pertinent markers and sands. Attach the Bond under which the work will be performed or provide the Bond No. on file with the BLM/ BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notice shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

**EnerVest Operating, L.L.C. has completed drilling operations on the subject well and intends to complete the Blanco Mesaverde (Pool Code 72319) and Basin Dakota (Pool Code 71599). The production will be commingled according to the Oil Conservations Division Order Number 11363. Production allocation for the two pools will be determined by the subtraction method. Commingling will not reduce the value of the production.**

**Interest is common. No notification is necessary.**
