13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

Four Star Gas & Oil Company respectfully submits the attached record of seed mixture used for the reclamation activities at the plugged and abandoned well site, Dick Hunt Federal #1. The location was visited with Craig Willems on 03/12/13 to review re-contouring expectations. The final re-contouring of the location and access road was completed on 03/19/13 and the seeding was completed on 03/20/13.

Craig Willems is the BLM agent working with Chevron for this project. Please forward all submissions to him.
