Dear Sir:

An administrative review has been conducted on the following proposed Application for Permit to Drill (APD) submitted by **Koch Exploration Company, LLC**.

**Bisti 2-1M, State Lease No: ST NM VO-8293-0000.** The proposed well is described as 810'FNL/660'FEL, located in Section 2, T24N, R13W, San Juan County, New Mexico. Included in the approved disturbance is a well pad containing 2.82 acres, access road consists of 0.18 acres and pipeline consists of 2.99 acres, for a combined total of 5.99 acres, more or less located in Sections 35 and 36, T25N, R13W, San Juan County, New Mexico. This location is on the Navajo Nation Trust Lands and within the Navajo Indian Irrigation Projects (NIIP) designated boundaries.

Amended Resolution of the Resources Committee of the Navajo Nation Council No: **RDCJN-05-11** passed on **June 14, 2011**, authorized the Navajo Nation Land Department to issue consent letters for APD's and Construction of Associated Ancillary Facilities. Consent letter dated April 5, 2013, approves the enclosed **Koch Exploration Company, LLC's APD**. Please note that the Resources Committee set certain terms and conditions which must be followed. The Navajo Nation Environmental Protection Agency also set specific terms and conditions which must be followed. Other required clearances from the Navajo Nation have been obtained and are on file.

**NOTE: Navajo Nation Department of Fish and Wildlife set out specific conditional approval regarding this project. Project construction must avoid the Burrowing Owl (*athene cunicularis*) breeding season of 1 MAR – 15 AUG or a pre-construction survey will be required. The survey must include a buffer of 0.4 km (1/4 mi) from the edge of disturbance; (2) Project construction must avoid the Mountain Plover (*charadrius montanus*) breeding season of 1 APR – 15 JUL or a pre-construction survey will be required. The survey must include a buffer of 0.2 km (1/8 mi) from the edge of the disturbance.**

We concur with approval of the above referenced application, provided enclosed Bureau of Indian Affairs and the Navajo Nation stipulations are adhered to and made a part of the drilling plan.

Any questions regarding this application may be directed to Ms. Bertha Spencer, Supervisory Realty Specialist, Branch of Leases/Permits Section (Minerals) at (505) 863-8336.

Sincerely,

/s/ Sharon A. Pinto

RE: Application for Permit to Drill (APD) from Koch Exploration Company LLC on Navajo Nation Trust Land.

Dear Ms. Pinto:

Pursuant to Resolution RDCJN-05-11, approved by the Resources and Development Committee of the Navajo Nation Council, the Navajo Land Department hereby approves an Application for Permit to Drill (APD) to drill, construct, operate and maintain "Bisti 2-1M" well and associated ancillary facilities submitted by Koch Exploration Company LLC on Lease No. NM VO-8293-0000 across Navajo Nation Trusts Lands, San Juan County, Navajo Nation (New Mexico), attached hereto as Exhibits "A through D".

The Navajo Nation hereby approves the APD to Koch Exploration Company LLC subject to, but not limited to, the terms and condition contained in Exhibit "D". Please be advised that the Navajo Nation's approval of this APD is also conditioned upon the Bureau of Indian Affairs ensuring that the oil and gas lessee or operator will properly plug and abandoned all oil, gas, injection, disposal, and dry hole wells and that their associated ancillary equipment and facilities are removed from the affected Navajo Nation land and that the land will be properly reclaimed when exploration and/or production ceases. If you have questions please call (928) 871-6447.

Sincerely,

THE NAVAJO NATION

  
W. Mike Hahona, Program Director  
Navajo Land Department, DNR
