We are requesting that the well name for this well be changed back to **Susco 16 State 101**. On 3/21/11 we submitted a sundry to change this well from the original number of 101 to 101H because we intended to add a lateral to the existing wellbore. Plans changed and this work was never done. We now have plans to drill a new horizontal well which will assume the name 101H. Attached is a copy of the new plat. Please change your records accordingly.
