RE: Landowner – abandonment acceptance approval
Well Name: Dryden LS 7
Legals: SESW Section 28, T28N, R8W

Dear Moreno's,

The above mentioned well site, on your property, was plugged & abandoned by BP America on 6/25/2012. BP and the Landowner acknowledge and agree that BP may leave the property in its current condition with the well site and lease road unrestored and unrevegetated so that Landowner may have the use thereof in its current state and condition.

BP is required to inform the NMOCD that the location and lease road have been left to the landowner's satisfaction. If the property meets your expectations, would you please sign and return this letter to me?

We (Arturo Moreno) Arturo Moreno T.
(Jesus Moreno) Jesus E. Moreno and (Amy Moreno) Amy Moreno
personally have inspected the well site and lease road and find the property in good order and to our satisfaction.

Thank you
