13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

4/27/14 - Called Ed Martin with OCD and advised of circulation issues. Discussed fact that well had surface casing set and cement was returned to surface on the surface casing (as detailed in C-103 Drilling Sundry Notice). Requested and received verbal approval that we not run long string in this well and change from the Bravo Dome Pool to the Santa Rosa Wildcat pool due to circulation issues.
