OTHER: ☐

13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

Burlington Resources (BR) requests a 3-month extension of the deadline required under 19.15.17.13.G(2) for pit closure at the San Juan 29-7 Unit 140P.

- The San Juan 29-7 Unit 140P location is extremely muddy due to recent weather activity.
- BR requests a new deadline of October 22, 2015 so the location can dry out prior to closing the temporary pit to avoid doing a Dig & Haul.
- Other than an extended deadline, no additional modifications to the design, operation, maintenance or closure plans are requested at this time.
