Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

Coleman Oil & Gas, Inc. would like to request a twenty four month extension to complete this well. Coleman does not feel that the gas price is conducive to spending capital at this time. This well has been cased and cemented. It has not been perforated. The reserve pit has been reclaimed and seeded.
