Dear Pasty:

The following Application for Permit to Drill (APD) for the following well:

**San Juan 27-8 A #100, surface location 943' FSL and 1518' FEL, Section 14, T. 27 N, R. 8 W,
San Juan County, New Mexico on Federal Lease No. NMNM-019403 API NO: 30-045-35216**

You submitted an APD on November 19, 2010, and was approved on December 3, 2010. The Approved Application for permit to Drill expired on December 2, 2014 and is returned on September 1, 2015.

Contact Mark Kelly at the address above, or phone 505-564-7710 once the surface disturbance is reclaimed. If there was no surface disturbance, please submit a sundry notice within 30 days of the date of this letter stating there was no surface disturbance. In addition, we recommend bonding remain in place until the surface rehabilitation is completed and approved.

If you wish to drill this well at some later date, please re-file your complete application.

Under 43 CFR 3165.3, you may request an Administrative Review of any instructions, orders, or decisions issued by the Authorized Officer. Such a request, including all supporting documents, must be filed in writing within 20 business days of receipt of this notice and must be filed with the State Director, Bureau of Land Management, P.O. Box 27115, Santa Fe, New Mexico 87502-0115. Such a request will not result in a suspension of the instructions, orders, or decisions unless the reviewing official so determines. Procedures governing appeals from the instructions, orders, or decisions are contained in 43 CFR 3165.4 and 43 CFR 4.400 et. Seq
