13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has detennined that the site is ready for final inspection.)

The APD for the Schwerdtfeger 17 #1F well expired on November 8, 2014 and was returned to XTO via letter dated September 1, 2015. The letter was received by XTO on September 30, 2015.

In response to said letter, XTO confirms there were no surface disturbance activities conducted on the proposed well location, access road or pipeline.
