Mr. Mathews:

On February 11, 2015 a memorandum was sent to your office at the above address requiring bradenhead tests for the year 2015, in Area B. The reports were required to be submitted no later than November 1, 2015.

Our files show that the Sunco disposal was submitted. However, after reviewing well files on the Pretty Lady 30 11 34 #1 we could not find a bradenhead test report since 2011. This well would have been part of the bradenhead testing period in 2014.

Please notify me no later than **January 22, 2016** to set up a date and time to perform bradenhead tests with a witness from this office.

You can reach me at 505-334-6178, ext. 123.

Sincerely,

  
Monica Kuehling  
Deputy Oil & Gas Inspector  
District III, Aztec
