13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleation in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

On December 4, 2015, a Mechanical Integrity Test was performed successfully and was witnessed by Mark Decker (505.249.2416) of the BLM. With this in mind, we kindly request that this well be once again approved by the BLM as a Temporarily Abandoned well so that further evaluation may be conducted pertaining to the possible recompleation in this well.
