Troy,

In reference to Form 3160-3 (Subsequent Report to Temporarily Abandon), approved by the BLM on January 6, 2016, we kindly request that you would again approve Form 3160-3 (Subsequent Report for Water Disposal), to rectify our clerical mistake. We incidentally checked the "Temporarily Abandon" box under Type of Action on the Form 3160-3. However, we do not want to temporarily abandon this well. We performed a mechanical integrity test for this water disposal well, that remains active. With this in mind, please find attached the following documents:

1. Form 3160-5, submitted in triplicate, dated January 22, 2016 (Subsequent Report for Water Disposal)
2. A copy of Form 3160-5, dated December 23, 2015 (Subsequent Report to Temporarily Abandon)
3. A copy of the chart, dated December 4, 2015, that was generated from the MIT performed on December 4, 2015

Thank you and if there are any questions, please feel free to contact me at 918-524-9200.

Sincerely,  
Pride Energy Company
