Landowner,

The above mentioned well site, on your property, was plugged & abandoned by BP America on June 25, 2004. BP has reclaimed the well pad and lease road.

BP is required to inform the NMOCD that the location and lease road have been left to the landowner's satisfaction. If the property meets your expectations, please sign and return this letter to me.

I have enclosed reclamation photos of the well site and access road.

I (Harry J. Valentine) *Harry J. Valentine - Trustee* have reviewed the well site and lease road and find the property in good order and to my satisfaction.

Thank you,

*Craig T. Ferguson*
