13 Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

By this Sundry we are asking that you approve San Juan Resources Inc. (SJR) as successor operator to Maralex Resources, Inc. (Maralex) effective July 1, 2016 which is the effective date of SJR purchasing all of Maralex's interest in such well. Please see the attached copy of the executed Designation of Successor Operator form signed by both Maralex and the only other previous working interest owner in the well, LCS.

San Juan Resources Inc's BLM bond number is NMB-000199
