13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

ConocoPhillips requests permission to set a below ground P&A marker for the subject well, as requested by the private surface owner, as an above ground marker would interfere with their agricultural endeavors.

file a new C-102 using a current survey attached to a subsequent report for the below grade marker.

Ms. McCulloch,

We need your confirmation for your request to have the P&A marker below plow depth for future agricultural needs.

Can you confirm this request?
