OIL CONS. DIV DIST. 3

FEB 06 2017

Dear Mr. Vargo,

Plan of Action: Repainting of Lease Facilities
And Production Facilities

As per our conversations, We plan to paint the facilities including the production tanks, the sign of the Erin 9 and the pump of the Erin 9. Coulthurst Management will try to complete by May 31, 2017 IF our cash flow allows. That would primarily depend on the oil prices. If too low, we would need an extension. Also, since our separator is broken and too expensive to fix, we will not be able to produce until about March with our first monies paid to us in late April or early May. So, we will do our best and keep you up on our progress this coming Spring.

COVERT GREEN 9-12/5/16

The object is to repaint with the color: ~~Carlsbad Canyon~~ and improve the visual appearance of The Erin 9 Wellsite.

Coulthurst Management appreciates your cooperation with us in this endeavor.

Sincerely,

John Coulthurst
President
