13. Describe Proposed or Completed Operations (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleation in a new interval, a Form 3160-4 shall be filed once Testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Effective May 1st, 2017, operations of the above well were transferred from Elm Ridge Exploration CO LLC to DJR Operating, LLC. Bond coverage pursuant to 43 CFR 3104 for lease activities is being provided by DJR Operating, LLC under its nationwide bond, Bond #NMB001464. DJR Operating will be responsible for compliance under the terms and conditions of the lease.
