13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

Please be advised that Juniper Resources Exploration Company LLC will become the operator of the aforementioned well(s) effective 12/15/2017.

Juniper Resources Exploration Company LLC hereby certifies that it is authorized by the proper lease interest owners to conduct lease operations and is responsible under the terms and conditions of the lease(s) for the operations conducted on the leased lands or portions thereof.
