Per conversation with Amy Vermersch and Charlie Perrin it is the intent of Hilcorp to make revisions to the APD for the subject well, dated 10/18/2018 submitted by Amanda Walker, as follows: **Property Name** shall be changed to "**State Strat Test 600 #1**". **Well Type** shall be changed to "Misc." Remove completion information within the technical plan of said APD specifically, and limited to, Perforating and Stimulation. Finally, the Gas Capture Plan shall be void for the purposes of the APD since the intent of this well is for stratigraphic testing and not intended to produce.
