13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

The NMOCD's current status is Shut-In for the subject well. Hilcorp would like to remove this well from ACOI 2016001-A-1 and the well returned to Active status, as it was producing at the time of the Change of Operator from Enervest Resources LLC to Hilcorp Energy, effective 3-1-2019 and is currently producing.
