Dear Mrs. Taylor:

The Bradenhead test report submitted on the above well does not supply the required information. Please review Rule 115.B. and submit a completed report before August 15, 2003.

If no bradenhead valve is in place, submit a well configuration schematic including the wellhead and casing strings before August 15, 2003

Reference RBDMS CTP0319648894 on future correspondence.

If you have any questions, please call me at 505-334-6178, ext. 16.

Sincerely yours,

Charlie T. Perrin
