13. Describe Proposed or Completed Operations (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Basin Minerals Operating Company has applied to the NMOCD for administrative approval to downhole commingle the production from the Basin Dakota pool and the Blanco Mesa Verde pool. The well is located on a fee lease but the drill block (W/2 of Section 27) contains some Federal acreage. The BLM is being notified pursuant to NMOCD rules.
