13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

Roddy Production Company, Inc. intends to construct an earthen pit for workover operations on the above referenced well. The pit will be a lined earthen pit with the dimensions of 8' x 15' (see attached diagram). After the workover operations are completed, the pit will be closed per NMOCD guide lines. The anticipated start date of this work is July 1, 2007. A diagram showing the location of the pit is attached.
