13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

E.L. Fundingsland plugged and abandoned this well. McElvain Oil & Gas Properties, Inc. has drilled the Ruby #1 within 40' of this well. Due to the very small location, the close proximity of the well bores and the safety concerns, the dry hole marker has been made to be removable when required. Once the new facilities are in place the marker will be installed and removed only when necessary.

RCVD APR 16 2008
OIL CONS. DIV.

DIST. 3

I hereby certify that the information above is true and complete to the best of my knowledge and belief. I further certify that any pit or below-grade tank has been/will be constructed or closed according to NMOCD guidelines ☐ a general permit ☐ or an (attached) alternative OCD-approved plan ☐.
