It is intended to drill and complete the subject well in the Blanco Mesaverde (Pool Code 72319) and the Basin Dakota (Pool Code 71599). The production will be commingled according to the Oil Conservations Division Order Number 11363. Production allocation for the two pools will be determined by the subtraction method. Commingling will not reduce the value of production. The Bureau of Land Management has been notified in writing of this application.

Interest is common. No notification is necessary.
