13. Describe Proposed or Completed Operations

DIST. 3

Burlington Resources wishes to move the Bottomhole of the subject well from the approved APD location of Unit O (SWSE) 1200' FSL & 1930' FEL to Unit O (SWSE) 1230' FSL & 1750' FEL. The surface location did not move. The reason the Bottomhole was moved was to shorten the distance that needed to be drilled. The new plat, project proposal and direction drill plan is attached.
