Due to the surface owner's request, this sundry is submitted to inform the NMOCD of our intention to change the well location for the above pending Application for Permit to Drill (APD). The original submitted location was:

1715' FNL; 1100' FWL of Section 19-T30N-R11W, San Juan County, NM.

The new proposed location is:

1577' FNL; 411' FWL of Section 19-T30N-R11W, San Juan County, NM.

A copy of the surveyor's new Well Location and Acreage Dedication Plat (Form C-102) is attached.

All downhole information will stay the same as submitted on the original APD. Because the new location, however, is considered unorthodox, notification has been sent to the Director. A copy of the notification is attached.

A plugging bond is currently in the process of being obtained.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
